Get to Know Us Better

InAmigos Foundation was founded on September 25, 2020, by H. Gaurav Shukla (Founder & CEO). It is a Section 8 registered non-profit organization, recognized by the Central Government. It has its base in Chennai, Tamil Nadu, India. The foundation is dedicated to providing support and resources to underprivileged children, focusing on their education, health, and overall well-being. The foundation is also a CSR registered, allowing us to collaborate with corporate entities for impactful Corporate Social Responsibility (CSR) initiatives. Additionally, we are NRI (Non-Resident Indian) registered, allowing our work to reach development goals and fund the projects. We are ISO 9001:2015 certified.

Let's Start Here

About Us - InAmigos Foundation

InAmigos Foundation, founded on September 25, 2020, by H. Gaurav Shukla (Founder & CEO), is a Section 8 registered non-profit organization committed to creating lasting social impact. With its base in Chennai, the foundation operates across India, addressing critical societal issues through a network of dedicated professionals and volunteers.

Our Credentials & Recognitions:

- ✓ Registered under Section 8 - Licensed by the Central Government
- ✓ 80G & 12A Certified - Enabling transparency, accountability, and tax exemptions for donors
- ✓ CSR Registered - Eligible for corporate CSR partnerships
- ✓ NRI-Agency Registered - Aligning with national development goals
- ✓ ISO 9001:2015 Certified - Committed to maintaining high-quality standards

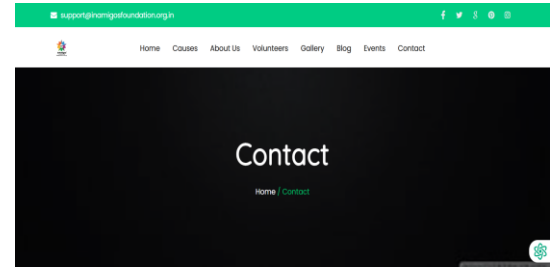

Our Key Initiatives & Impact:

- ✓ Project SHIKHA - Over 5000+ meals and clothing distributed to the underprivileged
- ✓ Project BACHCHANMATA - Bridging educational gaps by training underprivileged children in basic digital literacy, life skills, and school education support
- ✓ Project JEEVA - Dedicated to animal welfare, feeding 50+ stray animals daily through our volunteer network
- ✓ Project UDARA - Empowering women by collaborating with self-help groups in rural areas, promoting financial independence, skill development, and menstrual hygiene awareness
- ✓ Project PRAKARTI - Advocating for sustainability and environmental conservation by planting 30,000+ saplings and supporting eco-friendly agriculture
- ✓ Project VIKAS - Facilitating employment and skill development through internships in various fields, having trained 30,000+ interns in the last four years in data operations, finance, research, content writing, digital marketing, social work, and more.

InAmigos Foundation, we believe in the power of collective action. Our transparent operations and strong partnerships enable us to bring real, measurable change to society. Through our social media presence and online platforms, we ensure that every initiative reaches the right audience, empowering more individuals and organizations to join our mission.

Join Us in Making a Difference

Whether through volunteering, partnerships, or donations, every contribution strengthens our cause and enables us to expand our reach and impact. Together, we can build a more inclusive, compassionate, and empowered society.

Observation:

The website effectively showcases the foundation's activities and community engagement efforts. The following slides highlight the key NGO website features identified during the analysis.

Key Features Present in the Website

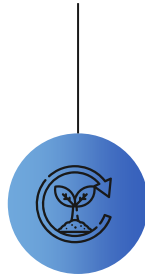

Volunteers —

Volunteer
profiles and
team showcase

Events —

Community
events and
awareness
campaigns

Impact —

Beneficiaries,
volunteers and
outreach
statistics

Blogs —

Social impact
stories and
organizational
updates

Gallery

Visual
documentation
of NGO activities

Feature 1: Volunteer Management

The Volunteers section is one of the most important features of the InAmigos Foundation website. It introduces the core team members and volunteers who actively contribute to the organization's social initiatives and community development programs.

Purpose of the Feature

- Showcases the people behind the organization
- Builds trust and credibility among visitors
- Highlights leadership and team structure
- Encourages community participation and volunteer engagement
- Demonstrates the human resources driving social impact

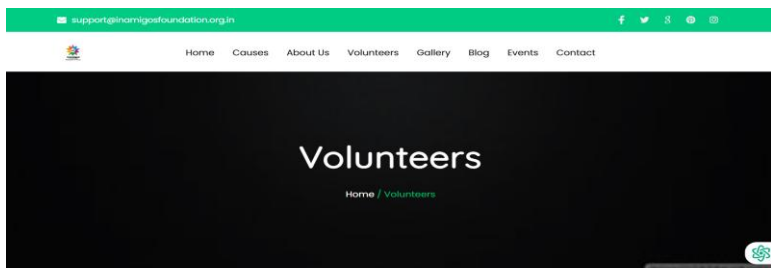

Importance for an NGO Website

Volunteer management is a key feature of any NGO website because volunteers play a vital role in planning, executing, and supporting social welfare activities. Displaying volunteer information increases transparency and motivates others to join the organization's mission.

Key Takeaway:

The Volunteers section effectively showcases the foundation's team and strengthens community trust by highlighting the individuals working toward social impact.

Sample Improvement

Govind Shukla
Founder and CEO

Sagarika Jaiswal
Head of core member

Khush Gupta
Deputy Head of Core member

Iniya Radhakrishnan
Head of Internship department

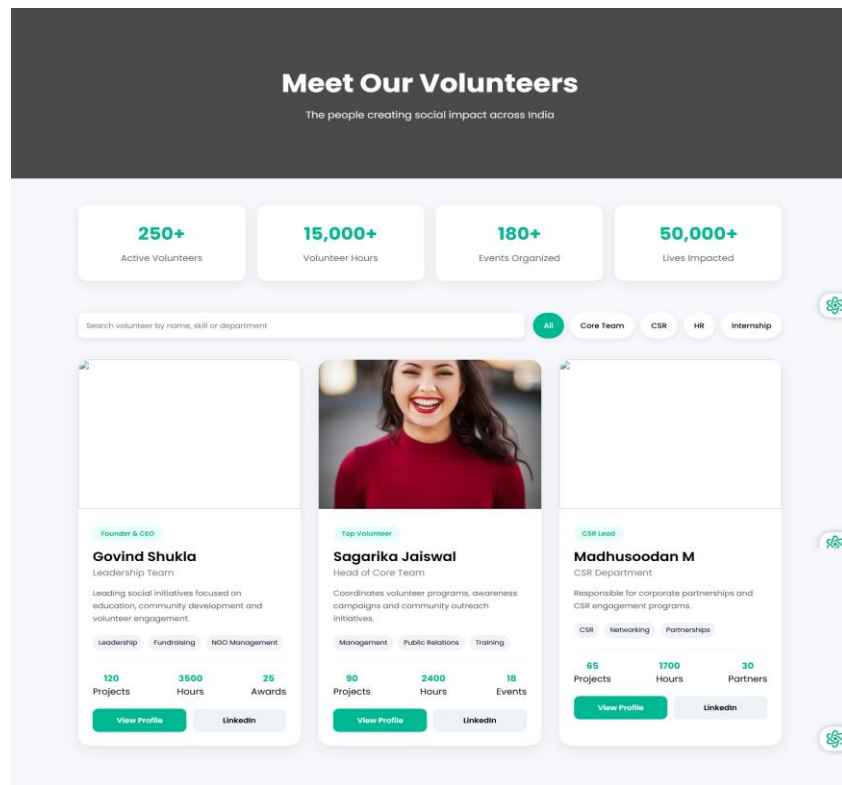

Shiwani
Team leader of core member

Shaik Shahira Bhanu
Senior Core Member

After

Feature 2: Events & Campaigns

The Events & Campaigns section serves as a platform for promoting awareness programs, social initiatives, and community engagement activities organized by the InAmigos Foundation. It enables visitors to stay informed about upcoming events and participate in meaningful social causes.

Purpose of the Feature

- Promotes social awareness and community involvement
- Highlights ongoing and upcoming NGO activities
- Encourages participation from volunteers and supporters
- Increases visibility of organizational initiatives
- Strengthens engagement with beneficiaries and stakeholders

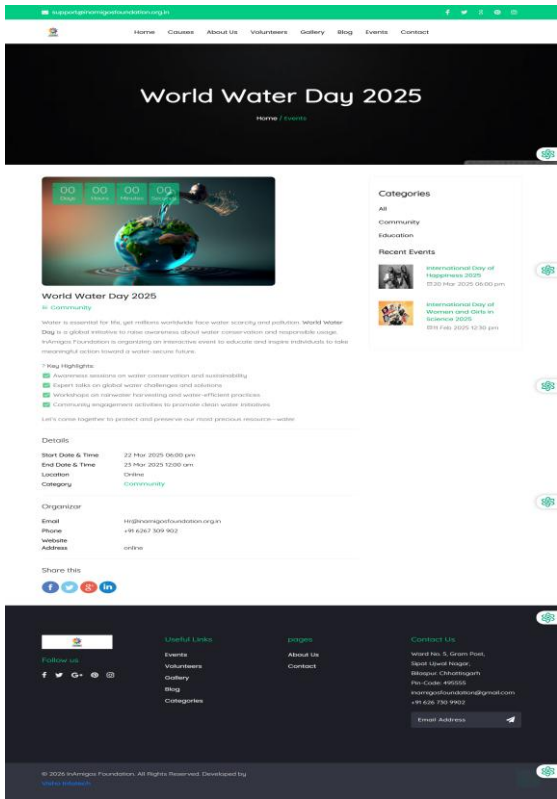

Importance for an NGO Website

Events and campaigns are essential components of an NGO website because they help spread awareness, mobilize communities, attract volunteers, and create opportunities for people to contribute to social causes. They also demonstrate the organization's active involvement in addressing societal challenges.

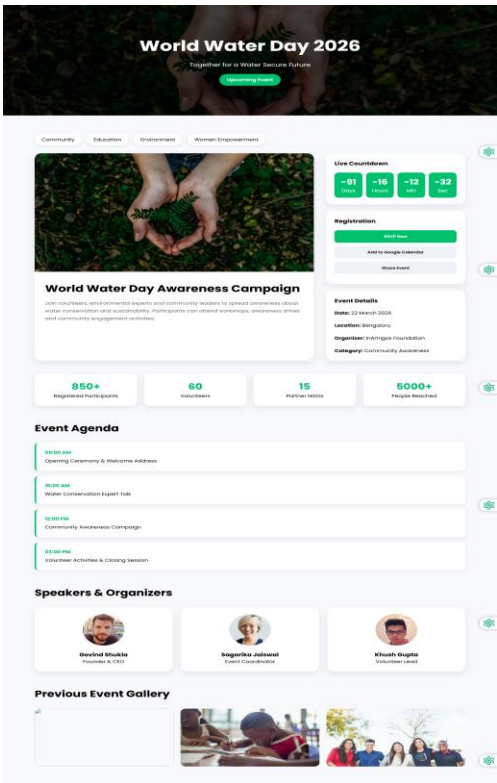

Key Takeaway:

The Events & Campaigns feature effectively promotes community participation and helps the foundation communicate its social initiatives to a wider audience.

Sample Improvement

Before

After

Feature 3: Impact Showcase

The Impact Showcase section highlights the measurable achievements of the InAmigos Foundation through key statistics and outreach indicators. It provides visitors with a quick overview of the organization's reach, community engagement, and social impact.

Purpose of the Feature

- Demonstrates the foundation's achievements and growth
- Builds credibility and trust among visitors and donors
- Highlights the scale of social impact created
- Encourages volunteer and donor participation
- Provides measurable evidence of organizational success

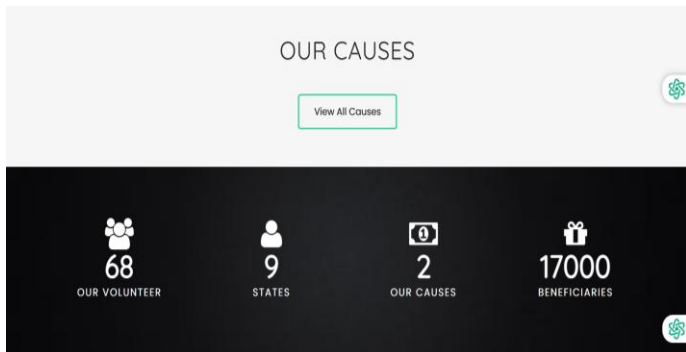

Importance for an NGO Website

An Impact Showcase is a critical feature for any NGO website because it communicates the organization's effectiveness through measurable results. Displaying key statistics increases transparency, strengthens donor confidence, and motivates stakeholders to support the foundation's mission.

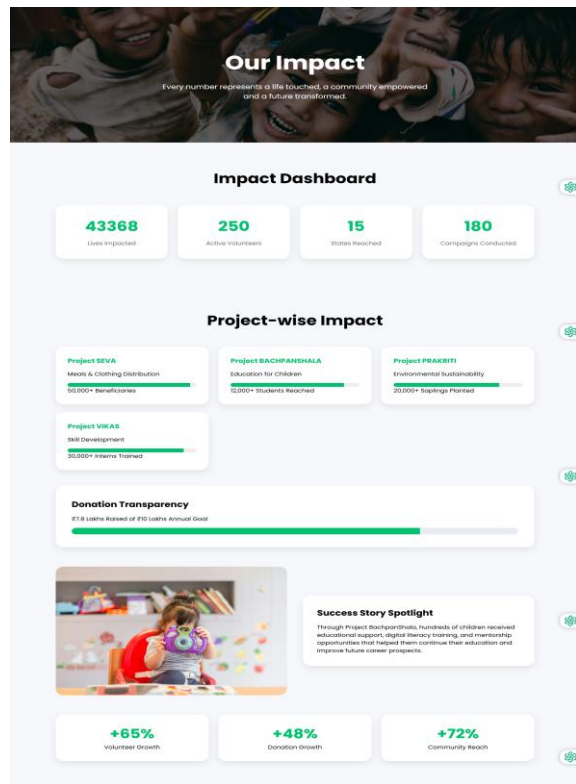

Key Takeaway:

The Impact Showcase feature effectively communicates the foundation's achievements by presenting measurable outcomes such as beneficiaries served, volunteers engaged, and geographical reach.

Sample Improvement

Before

After

Feature 4: Blogs & Success Stories

The Blogs & Success Stories section serves as a communication platform for sharing organizational updates, awareness articles, project achievements, and inspiring stories from the foundation's initiatives. It helps visitors stay informed about ongoing activities and the positive impact created within communities.

Purpose of the Feature

- Shares updates on NGO activities and achievements
- Raises awareness about social and environmental issues
- Highlights the success of various initiatives and projects
- Educates visitors through informative content
- Strengthens engagement with donors, volunteers, and beneficiaries

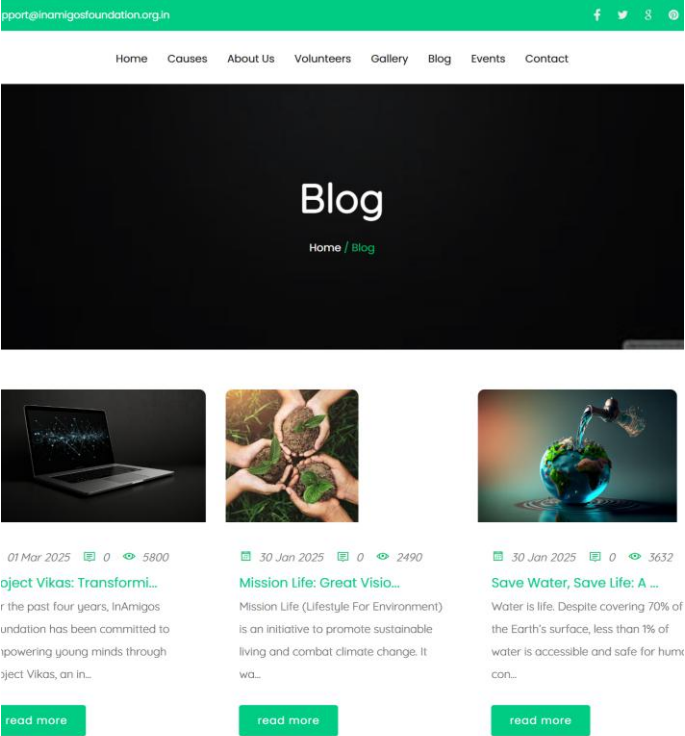

Importance for an NGO Website

Blogs and success stories are important features of an NGO website because they provide transparency, showcase real-world impact, and create an emotional connection with visitors. Regular updates help build trust while inspiring volunteers, donors, and supporters to contribute to the organization's mission.

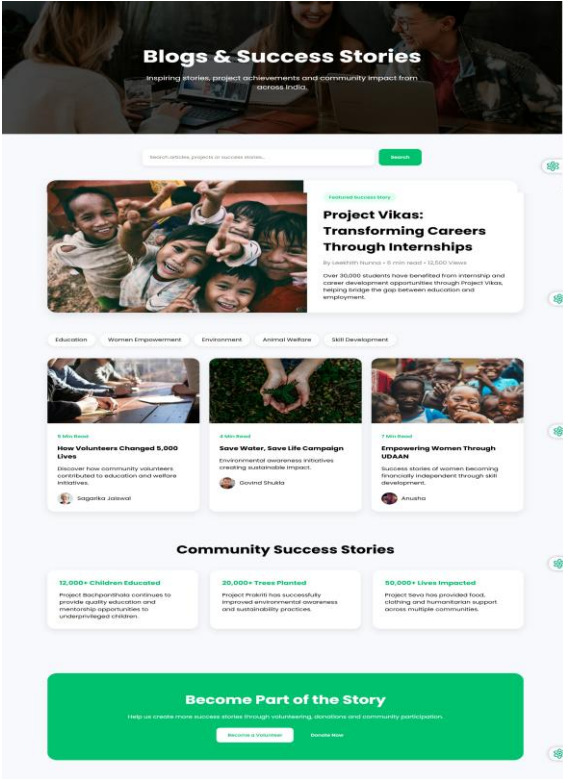

Key Takeaway:

The Blogs & Success Stories feature effectively communicates the foundation's initiatives, achievements, and social impact while educating and engaging the community.

Sample Improvement

Before

After

Feature 5: Gallery & Community Engagement

The Gallery section provides a visual representation of the InAmigos Foundation's activities, events, and community outreach programs. Through photographs and event highlights, visitors can gain a deeper understanding of the foundation's initiatives and the positive impact created within society.

Purpose of the Feature

- Showcases real-world NGO activities and achievements
- Provides visual evidence of community engagement
- Enhances transparency and credibility
- Creates a stronger emotional connection with visitors
- Encourages participation from volunteers, donors, and supporters

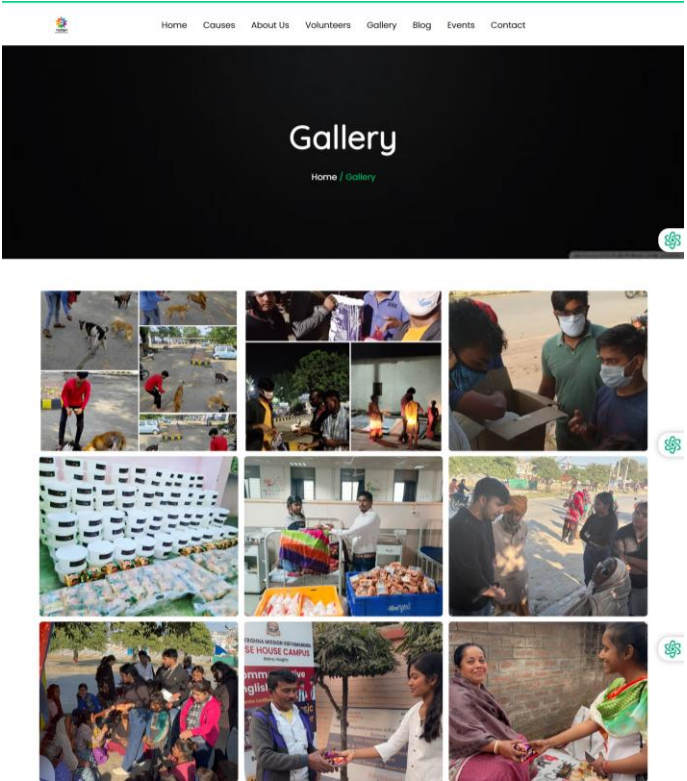

Importance for an NGO Website

A Gallery is an essential feature of an NGO website because it visually communicates the organization's efforts and impact. Images often create a stronger impression than text alone, helping build trust, increase engagement, and inspire community involvement.

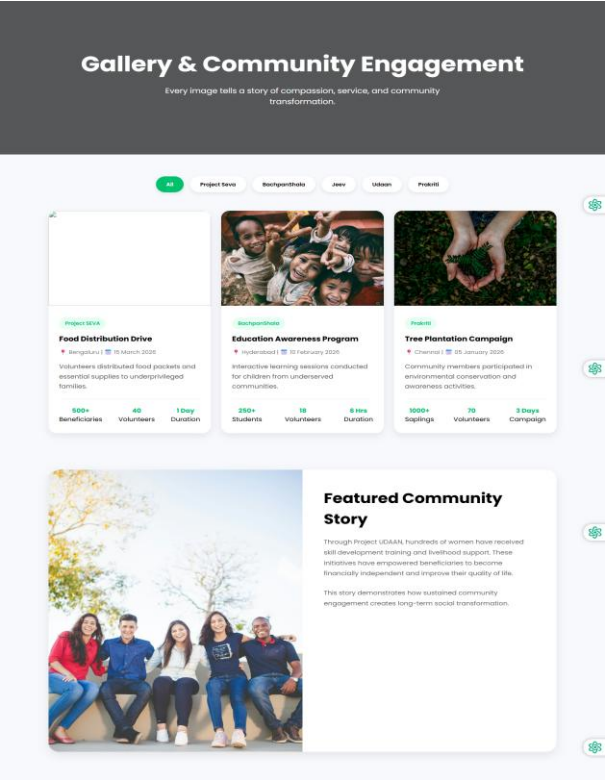

Key Takeaway:

The Gallery feature effectively showcases the foundation's activities and achievements through visual storytelling, helping visitors connect with the organization's mission and impact.

After

Suggested Feature Enhancements

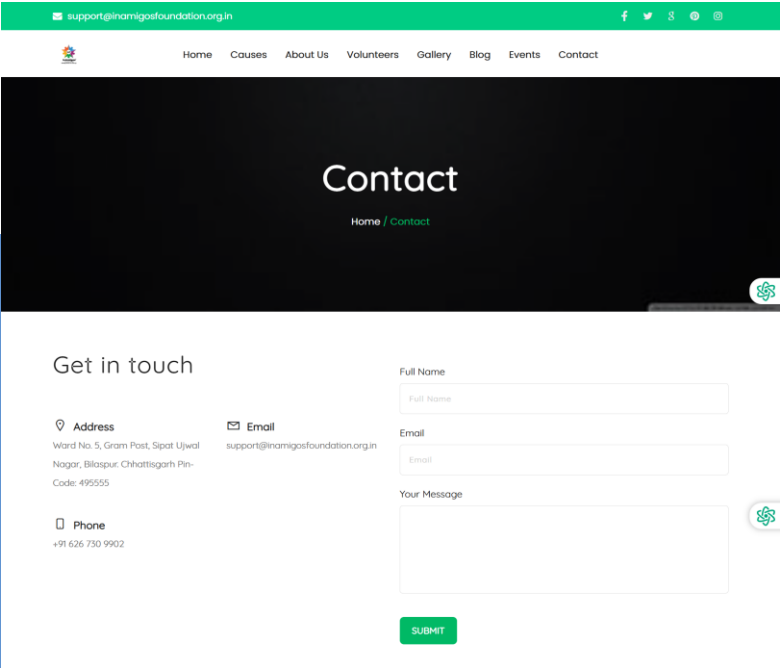

The analysis identified several opportunities to further enhance transparency, donor engagement, and community participation on the InAmigos Foundation website.

Recommendation 1: Donation Transparency Dashboard

Component	Description	Expected Benefit
Total Donations Received	Displays the total amount of donations collected by the foundation.	Increases financial transparency.
Funds Utilized	Shows the amount of funds already spent on various initiatives.	Enhances accountability and trust.
Project-wise Expenditure	Provides detailed information on how donations are allocated across projects.	Helps donors understand fund utilization.
Fund Utilization Percentage	Displays the percentage of donations utilized through visual indicators such as progress bars or charts.	Improves donor confidence.
Ongoing Fundraising Status	Shows the current fundraising progress for active campaigns and initiatives.	Encourages continued donor participation.

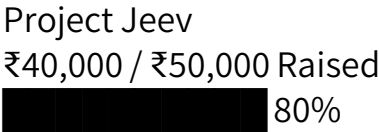

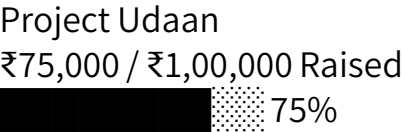

Recommendation 2: Causes & Campaign Tracker

Observation:
The current Causes page does not display active causes or campaign details.

Proposed Enhancement

Feature	Description
Active Causes	Display ongoing social initiatives
Fundraising Goals	Show campaign targets
Progress Tracking	Visualize completion status
Campaign Updates	Share latest developments

Conclusion

- The InAmigos Foundation website effectively serves as a digital platform for promoting social initiatives and community engagement.
- The website includes several essential NGO website features such as Volunteer Management, Events & Campaigns, Blogs & Success Stories, Impact Statistics, and Gallery sections.
- These features help increase public awareness, strengthen community participation, and showcase the organization's achievements.
- The Volunteers section enhances transparency by introducing the team members and contributors behind the foundation.
- The Events and Campaigns section encourages active participation in social initiatives and awareness programs.
- The Impact Showcase effectively communicates the foundation's achievements through measurable statistics and outreach indicators.
- The Blogs and Success Stories section helps educate visitors and share the organization's social impact journey.
- The Gallery section provides visual evidence of activities and strengthens credibility through visual storytelling.
- Additional features such as a Donation Transparency Dashboard can further improve accountability and donor trust.
- Implementing a Causes & Campaign Tracker can enhance fundraising visibility and encourage greater community participation.

Thank You!

This presentation highlighted the key NGO website features and proposed enhancements.

Together, technology and social impact can create meaningful change in society.
